

GETTING STARTED

with DECODABLES

Use these Science of Reading aligned decodable readers and activities to support your letter and sound instruction. Perfect for small group instruction, review, or intervention. Each letter of the alphabet includes ALL that you see here.

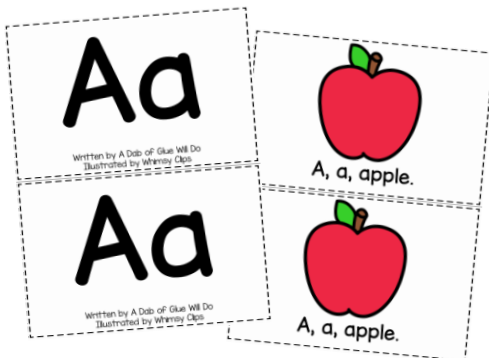

READERS

Decodable readers and big books to use with your students.

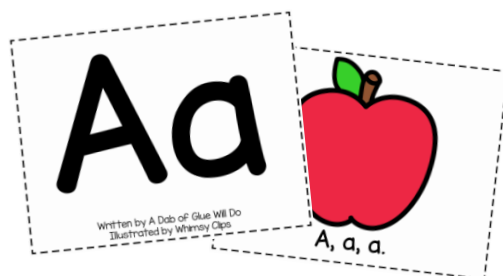

DECODABLE READER

This reader comes in color and black & white and is perfect for working with your students on letters and letter sounds. These readers can also be printed and put in your reading center or sent home with each student.

DECODABLE READER WITH WORDS

Use this reader option if you want the word for each picture featured in the text. This reader comes in color and black & white.

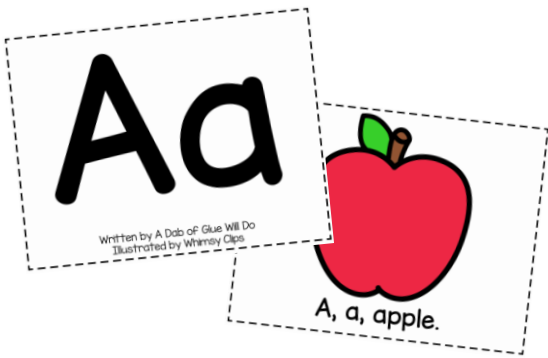

BIG BOOK READER

Use this big book reader in color or black & white as your "teacher copy" in your small groups or display on the smartboard.

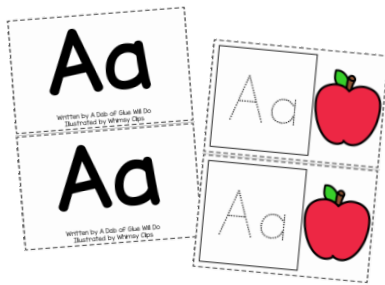

BIG BOOK READER WITH WORDS

Use this teacher copy of the reader option with words for each picture featured in the text. This reader comes in color and black & white.

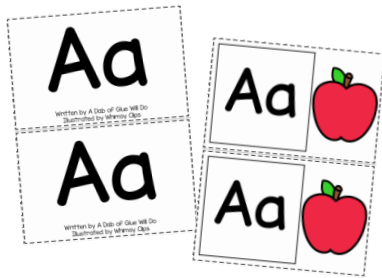

TRACEABLE READER

This reader comes in both color and black & white and features a traceable uppercase and lowercase letter on each page.

BIG LETTER READER

This reader comes in both color and black & white and features a large uppercase and lowercase letter on each page.

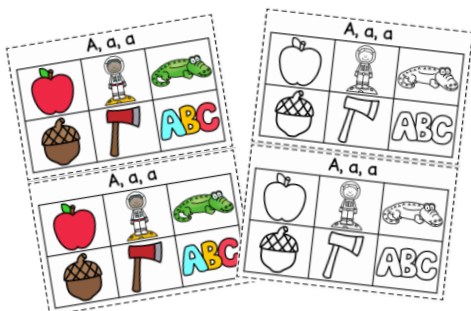

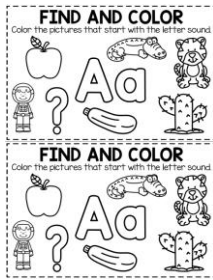

READER ACTIVITIES

Print and staple any of these reader-sized activities as an "add-on" to your decodable readers. Differentiate to meet the needs of your students.

WORD CARDS

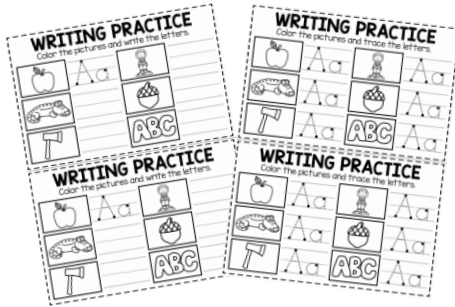

Add these picture cards to the end of your readers to give students another opportunity to repeat the words.

FIND AND COLOR

This find and color activity can be added to the reader or given as a stand-alone activity for students to practice finding the words that begin with the sound.

WRITING PRACTICE

Add any of these writing practice activities to your readers to give students an opportunity to practice writing the letter.

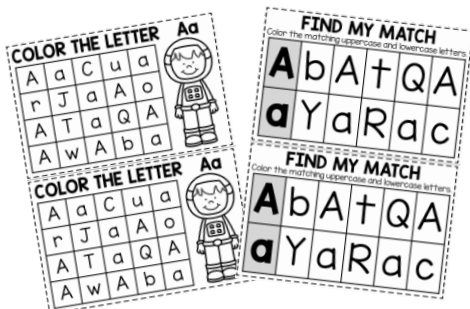

RAINBOW WRITE

Add one of these rainbow write options to your readers to have students practice their letter formation.

TRACE AND WRITE

Give students one of these tracing or writing activities to give them extra letter formation practice.

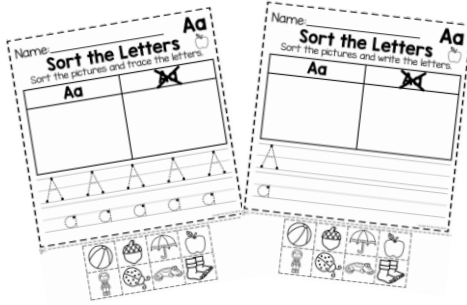

LETTER ID

These activity sheets include a "Color the Letter" and a "Find my Match" activity to help students with identifying the letter.

FULL-PAGE ACTIVITIES

Use these activities and resources after reading or in a center. Students can practice different skills including fluency, segmenting, comprehension, and more.

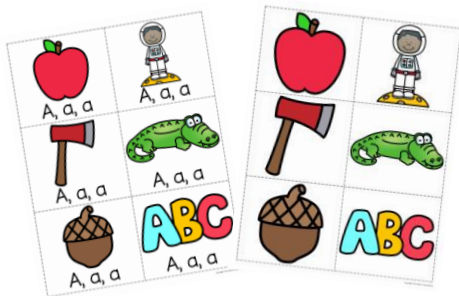

SORT THE LETTERS

Use one of these sort the letter worksheets for students to practice identifying which words begin with the sound.

ACTIVITY SHEETS

These activity sheets include a "Search and Color" for students to practice identifying beginning sounds, a "Spin and Trace" for students to practice letter formation, and an "I can Draw" for students to show four things that begin with the sound.

PICTURE CARDS

Use these picture cards to make your students mini flip-books or to put in a pocket chart or in your writing center. Available in both color and black & white.

WORD CARDS

Use these words in your small group, in a pocket chart, or in your writing center for students to continue to practice reading and writing. Available in both color and black & white.
