COMMUNITY HELPERS

Dear Families,

We are going to be learning all about community helpers in our classroom! We'll be discussing who community helpers are, what they do to help the community, and why they are so important!

At-Home Activity:

You can learn about community helpers at home too! With your child, make a list of community helpers that you see in your neighborhood (mail carrier, trash collector, delivery driver, etc.). Have your child make a Thank you card or picture, or thank the person verbally. While driving around town as a Family, keep your eyes out for other community helpers and discuss what their job is with your child.
