What's the Word Family?

cl _____

ock	op	ot
ox		og

Drag the Flashlinks to match.

A worksheet titled "What's the Word Family?" featuring a word family grid. The grid has two rows and three columns. The first row contains "ock", "op", and "ot". The second row contains "ox", an empty box, and "og". Above the grid is a clock and the text "cl _____". To the left of the grid is a tent with a girl inside, and to the right is a flashlight. Below the grid is the instruction "Drag the Flashlinks to match."

What's the New Word?

box
change
b → f

Drag the shell to the bucket with the correct picture.

A worksheet titled "What's the New Word?" featuring a word change activity. It shows a box with the word "box" and the instruction "change b → f". Below this is a picture of a boy playing in a sandbox. To the right are three buckets: one with a cat, one with a dog, and one with a shell. Below the buckets is a seashell and the instruction "Drag the shell to the bucket with the correct picture."

Drag the fish to the bowl with the matching picture.

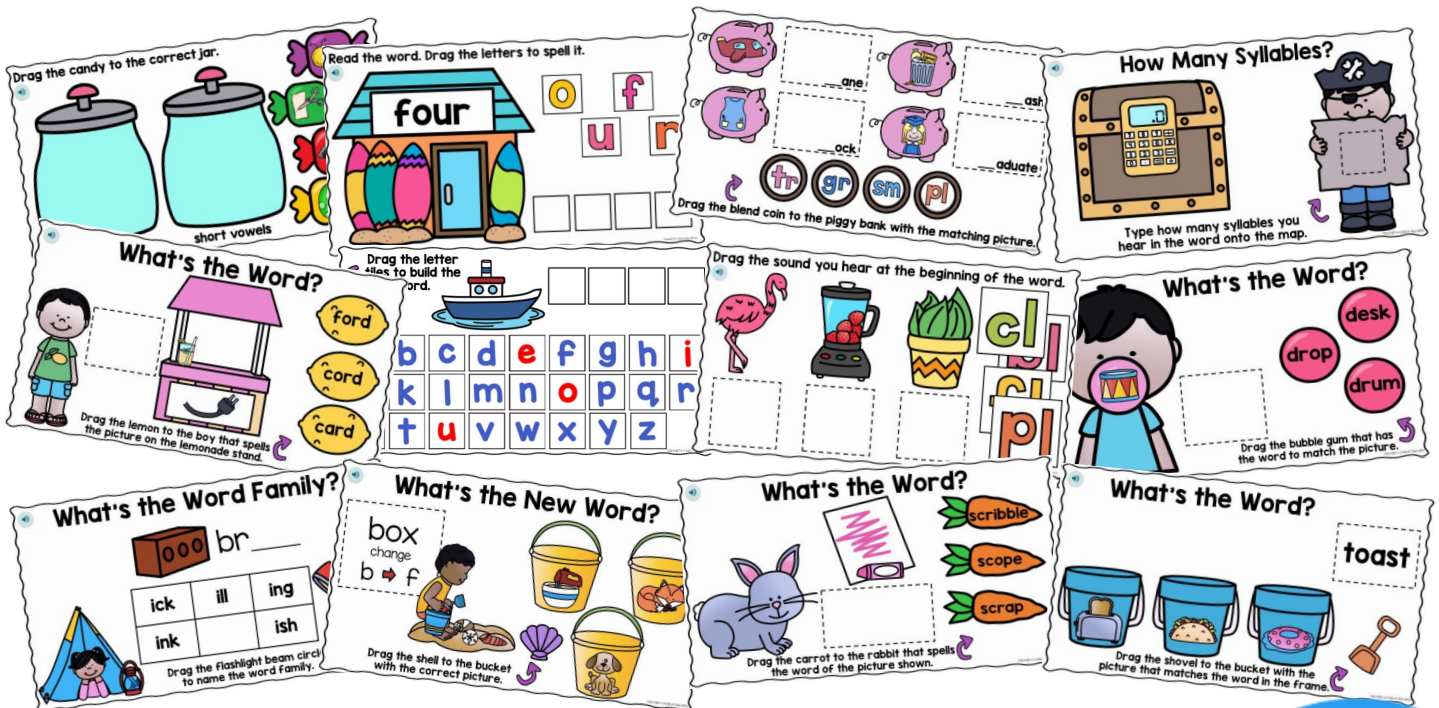

A worksheet titled "Drag the fish to the bowl with the matching picture." It shows three fishbowls. The first bowl contains a girl's face, the second contains a boy's face, and the third contains a spider. Below the bowls are two fish: a red fish labeled "sweep" and a yellow fish labeled "spider".

WHAT IS INCLUDED?

Step-by-step instructions with pictures.

TONS OF INTERACTIVE, STANDARDS BASED GAMES FOR YOUR STUDENTS!

HOW IT WORKS!

Kids can complete on the computer, a tablet, or even a phone!

Your students can work at home or in centers time at school with these standards-based games.
