HOW IT WORKS!

Kids can complete on the computer, a tablet, or even a phone!

Your students can work at home with these standards-based self-checking games.

Your child will click the screen to move to the next slide on most slides.

Some interactive slides will have a button that they need to click after finishing the activity.

Some slides will have an audio button that may read the text.

When you get to this slide, your child is all done!
