

DIRECTIONS

- 1) Students will need a Fire Hydrant spinner to start with.
- 2) Students will choose a Ladder card/mat.
- 3) Students will use a pencil and paperclip to spin the spinner.
- 4) Students will then change the word at the bottom of the Ladder card/mat to create a new word and write it on the next open ladder spot.
- 5) Students will repeat until the ladder is complete.

QUICK DIFFERENTIATION

KIDS THAT NEED A CHALLENGE:

- 1) Students can read the word and use the word in a sentence.
- 2) Students can determine if it is a real or nonsense word.
- 3) Students can notice that only one letter/sound changes and the rest say the same.

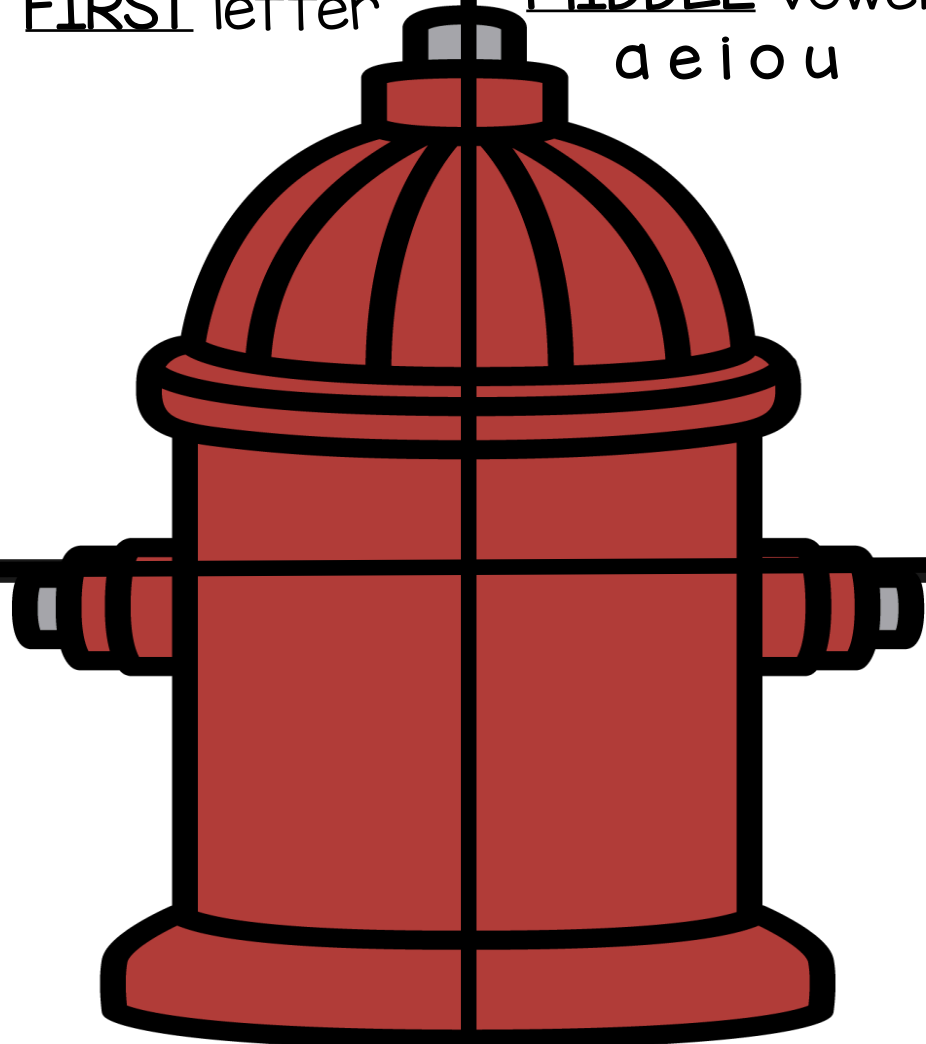

KIDS THAT NEED A REVIEW:

- 1) Pull students up to a small group and give students a dry erase marker to write the first word and then erase the letter that it asks to change and then sound out each sound in the second word to see what the new word is.
